

TOOY

TOOY nasce dall'ispirazione di creare prodotti fortemente propositivi dal punto di vista stilistico e concettuale nel mercato dell'illuminazione decorativa. La varietà di tipologie insieme ai materiali e le finiture utilizzati, scelti facendo molta attenzione alle tendenze del momento, fanno sì che il prodotto TOOY si presti a diverse soluzioni di arredo, dal settore privato a quello 'contract'. Bilanciando le forme d'arte tradizionale alla continua ricerca e sperimentazione, l'idea è nata per creare prodotti unici e riconoscibili tali da soddisfare una fascia di mercato particolarmente attenta nei confronti del gusto e dell'originalità.

La direzione artistica di Corrado Dotti ha attribuito al brand uno stile unico e riconoscibile grazie a un'ampia varietà dei materiali, forme ricercate e finiture sofisticate. Le lampade TOOY sono elementi decorativi dal forte senso estetico e dall'apparente semplicità ma di grande sofisticatezza che danno un valore aggiunto all'ambiente in cui si inseriscono. La collezione, concepita con l'intenzione di essere fortemente propositiva dal punto di vista stilistico e concettuale nel segmento dell'illuminazione decorativa, propone un assortimento completo di prodotti unici e riconoscibili tale da soddisfare le diverse esigenze del mercato al quale si rivolge. Oltre al forte carattere decorativo dei prodotti e alla particolare e raffinata immagine che il marchio trasmette, un valore importante è costituito dall'artigianalità tipicamente italiana dell'azienda e dai materiali preziosi utilizzati. Un insieme di elementi che storicamente hanno caratterizzato il successo del "Made in Italy" nel mondo. Prodotti a regola d'arte che preservano la cultura del ben fatto e la passione per la luce. Apparecchi innovativi, che raccontano la luce, caratterizzati da una forte matrice artigianale la cui essenzialità personalizza l'ambiente in cui si inserisce. Lavoriamo continuamente per mescolare la luce con il design utile e funzionale, immergendoci nel nostro ambiente, traendo vantaggio da una lunga storia familiare ed esplorando le infinite possibilità dei nostri spazi quotidiani.

TOOY è un brand fondato da Valeria G. & Valerio T.

Inspired by the idea of creating highly propositive products in the decorative lighting panorama – either style- and concept-wise – TOOY offers a variety of lighting types, combining materials and finishes chosen with a keen eye to current trends, which make its products suitable to both the private and the contract sectors.

Balancing traditional art forms to continuous research and experimentation, TOOY creates unique and recognizable products, able to meet the needs of a market segment particularly attentive to taste and originality.

The artistic direction of Corrado Dotti has given the brand a unique and recognizable style thanks to a wide variety of materials, sophisticated shapes and finishes.

TOOY lamps are decorative elements with a strong aesthetic sense - simple in appearance, though highly sophisticated - which give an added value to any ambience in which they are used.

Its collections offer a complete range of fittings, unique and with a strong identity, to fully satisfy the different markets' needs. In addition to the strong decorative character of its products and to the particular and elegant image of the brand, an important added value is given by the typically Italian craftsmanship of the manufacturer and the precious raw material used for the production. A blend of winning elements that have historically distinguished the tradition of "Made in Italy" throughout the world. Products made to perfection, preserving the culture of "well done" and the passion for light.

Innovative apparels that "tell a story" of light; product of a strong workmanship which permeates each and every one of TOOY items, transferring their essentiality to the ambience surrounding them.

TOOY keeps working to combine light to useful and functional design, immersing itself in its environment, taking advantage of a long family history and exploring the never-ending possibilities of our everyday spaces.

TOOY is a brand established by Valeria G. & Valerio T.

GORDON

DESIGN: CORRADO DOTTI

Una nuova interpretazione formale e materica del diffusore conico è la caratteristica principale delle lampade GORDON.

Dall'aspetto essenziale e raffinato ma dal carattere forte conferitogli dalla forma della fusione in ottone, queste lampade pratiche e versatili si prestano ad essere usate in diversi ambienti, da quello domestico a quello lavorativo come negli spazi commerciali e 'hospitality'.

A new formal and material interpretation of the conical diffuser is the main feature of GORDON lamps.

The essential and refined aspect with a strong character that is conferred by the shape of the brass casting; these practical and versatile lamps are suitable to be used in different environments, from the domestic to the working one as in the commercial spaces and 'hospitality'.

OSMAN

DESIGN: CORRADO DOTTI

Famiglia di lampade dal design razionale arricchita dai preziosi dettagli metallici e dai diffusori cilindrici a doppia parete che donano una diffusione luminosa affascinante e armonica. La particolare struttura ortogonale e le proporzioni ben equilibrate danno a queste lampade un forte segno avanguardistico pur mantenendo un aspetto formale familiare e raffinato.

Family of lamps with a rational design enriched by precious metallic details and double-wall cylindrical diffusers that give a fascinating and harmonious light diffusion. The particular orthogonal structure and the well-balanced proportions give these lamps a strong avant-garde sign while maintaining a formal, familiar and refined appearance.

NABILA

DESIGN: CORRADO DOTTI

Ispirate alle lampade degli anni '50, eleganti e raffinate, rappresentano il dettaglio che arricchisce ogni ambiente. Sono caratterizzate da corpi luminosi sferici in vetro borosilicato a doppia parete proposte in varie composizioni, e una struttura in metallo verniciata a polveri epossidiche con dettagli in ottone spazzolato o cromo nero. Disponibile in diverse versioni per soddisfare le esigenze di ogni ambiente; dai ricchi chandeliers in cinque dimensioni differenti, alla versione da tavolo, comodino (più piccola), piantana o da parete, anche questa disponibile in modelli diversi per essere installata singolarmente o in composizioni personalizzate. Lusso e sobrietà in un unico elemento.

50s inspired collection of elegant and sophisticated lamps representing the detail to enrich any location. A double-sided spherical bright object in borosilicate glass makes these lamps available in different compositions and a structure made by metal coated with epoxy powder enriched with brushed brass or black chrome details. Different varieties are available for any situation: chandeliers (in five different models) or table lamp, bedside (smaller), floor or wall (available in three different models for single or composite personalized installation). Richness and sobriety all in one single element.

MACAO

DESIGN: CORRADO DOTTI

Famiglia di lampade che reinterpretano le tradizionali lanterne giapponesi, dal gusto minimale ed elegante, declinata in quattro versioni che si adattano in diversi ambienti, piantana in doppia versione, tavolo e parete. La struttura è in metallo verniciata a polveri epossidiche e i paralumi in tessuto a rete bianca o nero. Leggerezza, minimalismo ed essenzialità caratterizzano lo stile di questa collezione.

Collection of lamps revisiting traditional Japanese lanterns, characterized by a minimal and elegant style and available in four versions for any environment, floor (in two varieties) or wall and table. The structure is made by metal painted with epoxy powders, with white or black mesh lampshades. Lightness, minimalism and essentiality are the main traits of this collection.

FILIPA

DESIGN: CORRADO DOTTI

Lampade ispirate alla classica lanterna cinese. La particolare struttura bidimensionale è in metallo verniciato a polveri epissodiche nella parte esterna, mentre quella interna è di colore grigio sabbia. La collezione è stata arricchita dalla versione in pelle bicolore. La fonte di luce è all'interno di un diffusore a doppia parete in vetro borosilicato e le versioni a sospensione sono dotate di una ulteriore sorgente luminosa LED integrata per un'illuminazione diretta verso il basso.

Collection of lamps inspired by the classic Chinese lanterns. The particular bi-dimensional structure is made by powder coated painted metal on the outside, while the inside color is sand gray. A new version in a two-coloured leather has enriched the collection. The light source is located inside a double-side borosilicate glass diffuser, while the suspensions have an additional integrated LED light source in order to create a direct illumination downwards.

MUSE

DESIGN: CORRADO DOTTI

Collezione di lampade dal sapore neo - vintage in metallo con diffusore a doppia parete in vetro borosilicato. Le cupole (una interna e l'altra esterna) in metallo hanno la parte interna di altri colori o finiture. Possono essere verniciate o avere finiture in ottone satinato e rame lucido in modo da avere la possibilità di creare diverse combinazioni materiche. La collezione è composta di lampade a sospensione, piantana, lampada da tavolo e lampade da parete e soffitto. Nelle versioni a sospensione e parete è presente un'ulteriore sorgente G9 posizionata nella parte inferiore della lampada.

Collection of neo-vintage metal lamps with a double-sided diffuser in borosilicate glass. The metal domes (one internal and the other one external) have the internal side with different colors or finishing: they can be painted or finished in polished brass and bright copper, thus to create different textural combinations. The collection presents hanging lamps, floor lamp, table lamp, wall and ceiling. The hanging and wall lamp version are provided with a further G9 source located in the lower part of the lamp.

MOLLY

DESIGN: CORRADO DOTTI

Collezione dallo stile contemporaneo di lampade a sospensione, parete, terra, tavolo, comodino e soffitto dalla cupola e anello in vernice, ottone spazzolato, rame galvanico o peltro. Lo schermo luminoso diamantato è in plexiglass per rendere una luce diffusa. La collezione è composta da lampade di tre dimensioni differenti, singole o in combinazioni dinamiche. Dotate di grande versatilità, la semplicità della forma e la ricchezza dei materiali rendono questa collezione adatta a tutti gli ambienti.

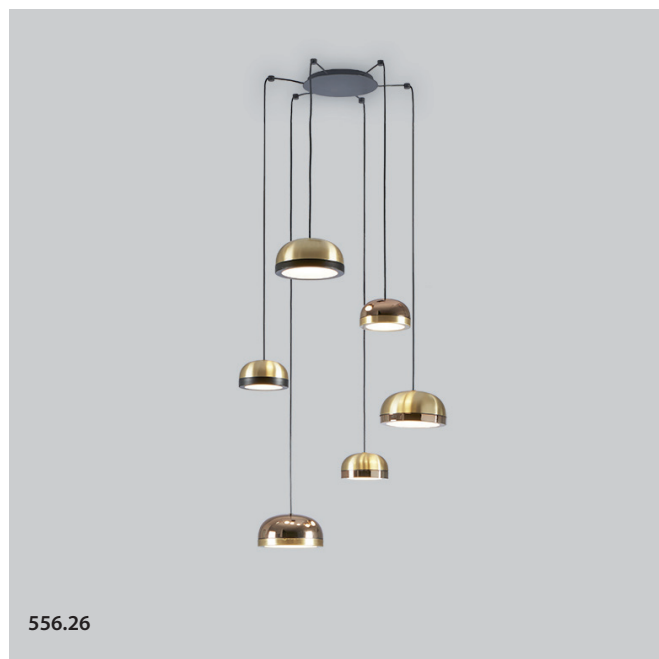

Collection of contemporary hanging, wall, floor, table, side and ceiling lamps with a painted dome and ring either painted or finished with brushed brass, galvanic copper or pewter. The bright diamond screen is made of plexiglass to better spread light out. The collection presents lamps available in three sizes for single-unit or dynamic compositions. These lamps are very versatile and fit any kind of setting, thanks to their simple shape yet rich materials.

LEGIER

DESIGN: CORRADO DOTTI

Ispirate alle forme classiche dei profumatori in vetro di Murano, ampole dalle forme sferiche eleganti e fragili d'aspetto ma resistenti e funzionali, utilizzate spesso come elementi decorativi in ogni ambiente della casa. Le lampade possono avere l'attacco in rame galvanico, ottone spazzolato o verniciato mentre il diffusore è in vetro soffiato a bocca dalle forme armoniose e decorative di colore fumo e bianco opalino. Versatili, eleganti e resistenti, possono essere posizionate a terra, su un tavolo, a soffitto a parete e a sospensione, sia in versione singola che nella versione chandelier da quattro o sei elementi. Conferiscono classe e raffinatezza a tutti gli ambienti, dal più sobrio al più sfarzoso.

Collection of lamps inspired by the classical shapes of Murano diffuser usually used as decoration anywhere in a house; elegant spherical cruet apparently fragile yet very robust and functional. These lamps can have the connection in galvanic copper, brushed brass or painted, while the diffuser is made by blown glass opal white glass or fumè with harmonious and decorative shapes.

Versatile, elegant and robust, these lamps can be positioned on the floor, on the table, ceiling, wall and hanging, both in one-unit version or in the chandelier one with four or six elements. These lamps give class and sophistication to any location, whether it be sober or lavish.

DESIGN: CORRADO DOTTI

Dall'allure orientale, riprendono la leggerezza, la sobrietà e il minimalismo tipico del design asiatico. Le lampade sono con struttura in metallo verniciato a polveri epossidiche e diffusore in tessuto e rete. Versatile ed elegante, la collezione presenta sospensioni di tre misure differenti, la versione da parete, da tavolo e piantana. Conferiscono agli ambienti un'eleganza non ostentata, ma celata nella raffinatezza del design e dei materiali che la caratterizzano.

Collection of lamps characterized by an oriental taste, reinterpreting the lightness, sobriety and minimalism of Asian design. These lamps have a metal structure painted with epoxy powder and a coated with mesh diffuser.

Versatile and elegant, this collection presents different versions: hanging lamps in three different sizes, a wall lamp, table lamp and floor lamp. These objects give any environment a kind of simple elegance through the sophisticated design and materials.

EXCALIBUR

DESIGN: CORRADO DOTTI

Lampada a sospensione con base triangolare dalla leggera ispirazione Decò, composta da un corpo in metallo nero con 2 diffusori prismatici in plexiglass, contornato da 3 lamine rettangolari in ottone satinato. Elegante e versatile disponibile nelle seguenti versioni: sospensione singola o a grappolo, chandelier di due dimensioni, lampada da parete singola o doppia.

A slightly Deco inspired hanging lamp with a triangular base. The main body is in black coating and the light is spread through 2 plexiglass prisms and it's wrapped into 3 rectangular brushed brass foils. It is available in different compositions: single or bunch suspension, chandeliers in two different dimension, single or double wall lamp.

BILANCELLA

DESIGN: ROBERTO GIACOMUCCI

Lampada a sospensione, soffitto e parete con diffusore in metallo verniciato a polveri epossidiche di spessore molto sottile. La versione decentrata, presenta un sistema di fissaggio a soffitto versatile che permette di illuminare anche in assenza di punti luce predisposti a soffitto. I decentratori in metallo infatti, permettono al filo elettrico di scorrere per portare la luce dove occorre. Grazie alla sua essenziale forma, la luce si diffonde uniformemente in tutto l'ambiente.

Suspension, ceiling and wall lamp with a thin metal powder coated diffuser. The decenterate version has a versatile ceiling mounting system allowing to illuminate even in absence of electrical connection on the ceiling. In addition, the metal decentralizers allow the wire to slide to bring the light where it is needed. Thanks to its essential form, the light spreads evenly throughout the environment.
